Dr. Praveen Bhardwaj
Consultant, Hand,
Brachial plexus & Plastic
Surgery, Ganga Hospital,
Coimbatore

Dr. Ketan Desai
Consultant Neurosurgeon,
P. D. Hinduja Hospital,
Mumbai

First Time Ever! 360° Approach to Brachial plexus surgery for Neurosurgeons

ISPNS along with the Department of Neurosurgery, Trauma Center, AIIMS, New Delhi is conducting the Brachial Plexus & Peripheral Nerve Surgery (BP & PNS) Cadaveric Workshop from 4th to 5th December 2024 at Trauma Center, AIIMS, New Delhi.

In a first of its kind workshop, this innovative 360° degree approach to learning will include didactic lectures and cadaveric demonstration on not only routine brachial plexus surgeries but also secondary procedures and other peripheral nerve procedures to make the candidates confident in their practice.

World-renowned faculty in Peripheral nerve surgery will be demonstrating the procedures on cadavers and will be available to guide the delegates during the hands-on session. Symposium and case-based scenarios will be discussed for better understanding and promoting healthy interaction among the delegates.

We welcome you to Delhi, the capital city of India for a never before academic feast and look forward to meeting you in Brachial Plexus Cadaveric Workshop & Symposium at AIIMS, Delhi.

Workshop Director
